SEAS Coordinator

**SUBJECT: NOTEABLE THEATER ETIQUETTE**

On behalf of the SEAS program, I wish to extend my gratitude to the teachers and students who attended a performance of *"A Christmas Carol"* on December 3<sup>rd</sup> at the Broward Center for the Performing Arts. Your students were dressed beautifully! They were immediately noticed and our ushers and other invited guests commented on their appearance. It is a sheer delight to see students dressed appropriately for these formal occasions.

Thank you for encouraging your students to make this a special day, and please let your students know that everyone was impressed not only by their fine appearance, but by their conduct as well. You are to be commended for the impression you made at the theater.

We hope that others will follow in your grand footsteps as you are true role models.
